

# MORGAN SAILING

Sovereign Harbour Eastbourne

## *Feeling Sporty - Feeling 1090*

Feeling Sporty is a deck saloon yacht that combines an attractive profile with a deceptively spacious interior. The larger windows, whilst not being too conspicuous from the outside, make the interior feel very light and airy.

Feeling Sporty is the owner's version of this popular yacht incorporating accommodation for up to 8 people, 4 in good sized double cabins fore and aft plus 4 berths in the saloon. The kitchen area is particularly well equipped with a double burner gas hob, grill and oven, a double sink with draining basin, a fridge and also a microwave oven.

The yacht is very responsive under both power and sail in any conditions. Equipped with wheel steering, the compass and engine controls are sited on a binnacle for convenience. The general high level of equipment also includes self-tailoring primary winches and Lewmar halyard winches. The yacht is fully equipped to MCA Category 2 with comprehensive safety equipment.

- Feeling 1090
- Masthead double spreader rig with spinnaker pole
- Coded 1996
- Registered No: SSR-42887
- Length 11.1m / 36'6"
- Beam 3.6m / 11'10"
